For more than 300 years, Christians living during Roman rule endured persecution as a result of their faith. In this interactive Bible study with host Dr. Joseph Stowell, participants will focus on the example of community, compassion, and endurance displayed by the early Christians. Participants will explore the formation of Christianity as they visit significant locations in modern-day Rome. This 15-lesson study offers insights into the similarities between the oppression of Christians then and now, and encourages participants to unite and stand firm in the faith during challenging times.
